We are Karl Knauer – specialists in Packaging, Promotional Products, Gift Packaging and Mechanical Engineering with over 80 years of experience. Our head office is located in Biberach (Baden), supplemented by a subsidiary company in Pniewy, Poland.

Every day, we develop individual promotional products that give our customers a real market advantage throughout Europe. What drives us: Responsibility, innovative strength and sustainable thinking.

For us, sustainability is not a trend, but an attitude. We have always been environmentally conscious – as a family-run company with clear values. Our world is cardboard, corrugated board and paper – natural materials from which we create functional, high-quality and sustainable solutions.

From the use of certified raw materials to energy-efficient production processes: Protecting the environment is at the heart of everything we do.

With creative ideas and a genuine pioneering spirit, we develop promotional products that not only strengthens brands, but also makes our future greener.
